SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

Finally! It's about time you guys included a strap-on scene in your magazine. While I like what you do, with a good mix of solo, guy+girl, girl+girl and so on, I don't recall seeing a strap on scene and I've been subscribing for the last four years! Anyway, I digress... I must say that I did enjoy what you showed but again, a few more photos would have been nice. The video, though was worth it. I loved all the toy action and it made the strap-on scene worth waiting for. And as a bonus, the girls were really hot and seemed to enjoy it a lot. So please, dig down deep into your photography and give us some more girl on girl strap on scenes. What guy wouldn't want to see them.

– Blake, Baltimore

Oh my! Angelina Valentine, well it almost rolls off your tongue. I'm writing to tell you how hot I thought she was, and sexual, too. I'm a big fan of Italian women and she seems like a perfect example. Full chest with a booty to match. Slim waist and a sexual appetite as long as Long Island. I have to tell you, I could not keep my eyes off her boobs. They bounced and bounced as she fucked. They sat there patiently as she was eaten out, or as she was giving that lucky dude some great head. I bet he didn't appreciate her Italianess as much as I would! Let's be honest here, I could bang her much better than he did. Because I love and want to fuck a girl like her. Just wanting her brings so much more to the sexual equation than just a bang in front of the camera. If she likes that, I can do that, too. Just let me know.

IF A PICTURE IS WORTH A THOUSAND WORDS, HOW MUCH IS A FUCK WORTH?

Meeting people of the opposite sex can be very trying and difficult. But for some it comes easy while others are always sent home alone. There are bars, coffee shops, supermarkets, etc. All good places, but I've got mine!

I'm a huge fan of both the Old Masters and the Impressionists. Anything pre-WWI. I've done all the major museums from Paris to Los Angeles. They always seem to be full of nubile art students trying to emulate the masterpieces on the wall. Just like the paintings, I have been able to mount some of the prettier ones. I do not go to museums specifically to meet chicks, I really do love the art. I often will sketch one and go back home and redo it. I'm not a forger. As a matter of fact, I change things quite a bit so there is no misunderstanding.

I was standing in front of the craziest painting in the Chicago Art Institute museum using the most obvious opening line, and as often happens it got me a response… 'Now what the devil do you suppose it means?'... this time, from a girl of about twenty or so who was standing next to me scribbling in an unruled spiral notebook. She was pretty, all right. I'd checked her out from the corner of my eye while she wandered across the gallery towards this painting. She wore a dark tank top underneath a striped open shirt, and black leggings that showed off her legs down to her cute Aussie boots. It's funny how being close sometimes make me want to see immediately what they look like under all those clothes.

To my surprise, she replied, "Well, that's what I'm supposed to figure out this weekend – what the painting means." She scrawled a couple of more lines in her notebook and shaded the area. I looked back at the abstract monstrosity.

"I think it means rebirth. you know, coming out of the womb. I read somewhere that the museum paid a ridiculous sum for it… thousands for each of those wiggly streaks." I mused.

BLAIR-NTS-03

She laughed but frowned at the same time. I liked her smile, the bright white teeth between her full red lips, and the frown was kind of sexy too. “You sound so cynical,” she said. “I bet this picture means a whole bunch of other things you’re afraid to think about!” So she was cheeky, too!

Not losing a beat, I said, “I’ll have you know that I’m a bit of an expert on art. I sketch in my spirit time.” I gave her a big wink. She rolled her eyes and sighed and her tank top-enclosed breasts rose in exasperation. She looked at me for a long silent moment, then burst out laughing. “

“You’re pretty art-snobby.” she said as she wink-smiled at me.

I went right for it. “Come over to my studio and I’ll show you my sketch methods, but first you have to let me see your photo ID.” I smirked back.

“What?” she said. She folded one arm under her pert rack and held out her other hand for mine. “First, your ID buddy?” This was turning into the toughest pickup ever. But what the hell. I gave her my driver’s license, which she studied carefully. Then, as if a light went on, “You’re Benny Dee!” she squealed. “The art critic.”

“Guilty.” I said. “Obviously you’ve heard of me, read my critiques, or think my name is funny.”

“All of the above!” she said and smiled big at me as she returned my ID. She told me her name was Shauna. “You said that you paint, also. Where do you do that? Do you have a studio?” As we grabbed a cab to my place on the near west side, we giggled and laughed and swore a lot. We exited the cab and went up a freight elevator to my loft.”This is soooo cooool!” she said as she dropped her shoulder bag on the chair. “Where are all the ‘sketches’ you want to show me?

“Well, let’s start with my sketch tool,” I said winking again. “Let me guess Benny. It’s about 8 inches long and pink – or flesh toned?”

Without a word, she looked me right in the eyes and took off the striped big shirt, then the tank top. Then she rolled down the leggings and slid them down to her uggly boots. She plunked down on a nearby chair and sticking her feet out at me, I bent over and pulled off each boot with exaggerated slowness and then she was barefoot. She wiggled her toes at me, flexed them and then stood up.

"Okay Rembrandt, (I loved the Old Master reference!) show me that sketch tool. I don't have all day, I have to go back to the museum and make my notes. So disrobe, now!" she demanded.

I quickly obliged and dropped everything on the floor in front of me. "Your sketch tool looks ready to go to work," she said pointing at it. Then moving close and taking it in her hand, she rubbed and swirled her fingers over it then cupped my balls as she got on her knees and took it in her mouth. I watched her head bob up and down as she did a great job on my... er... sketch tool. "Let's get more comfortable, Shauna." I said leading her to the bed. We fell onto the bed and kissed.

It was hard to pull myself away from her amazing boobs, but the lush aroma between her legs got me going and I found myself between her knees licking and outrageously juicy pussy. I focused on her clit with my very skillful style and she was as melted butter under my tongue. She lifted up her pelvis and crammed it into my face. I licked her faster and faster. After long minutes of licking, she was ready for my cock, which was clearly on her mind!

I straightened up and put my dick inside her. She clapped her legs around me and pulled me in close. Looking down I thought she was gorgeous: gorgeous as a girl, and gorgeous as a girl being fucked. Her nipples were like little stones. I wanted to suck them again but I couldn't reach them while fucking her. After a while she got on her knees and asked me if I liked the view. "Nothing in that damn museum is worth this view, dear lady." I said putting my cock in her wet hole and riding her fast and hard, squeezing her ass cheeks with my hands. My cock slid with slippery ease back-and-forth in her wetness.

I was banging her so hard from behind until finally she was gasping and squirming out her orgasm. As for me, I couldn't hold off a moment more. I pulled out my cock and she did a quick 180 so that her face was in front of my cock. I held it over her face just as the creamy ropes of sperm blasted out in wavy patterns all over her open lips and hungry tongue.

We laid in bed for another half hour discussing everything from penises to Picasso. She proved to be quite the student of art and I think I impressed her with my knowledge, too. As I was detailing my trip to the Louvre, she slid down my body and took my semi-erect cock in her mouth and started up again. In no time, she pivoted on my cock and slung her body over me in a sixty-nine – shutting me up!

Wishful Thinking

Cassia Riley

Ed: Hello Cassia. You look as beautiful as any of your photos. Thank you for being here. Let me begin by asking if you get into role-playing at all?

Cassia: Thanks for seeing me. I'm happy to be here. I like to play the innocent, unknowing type. As long as I trust you, I like having my arms pinned above my head with one hand while the other hand has made its way under my skirt and is fingering my pussy. I like when my clothes are ripped off, my legs are opened, and fingers penetrate me. But, then, don't try this unless you have explicit permission!

Ed: Agreed! What is the most sensitive part of your body?

Cassia: I like having my nipples teased and tickled. It's really a dead giveaway that I'm about to come. My nipples get really hard when I get close to climaxing.

Ed: What is your favorite sexual position?

Cassia: I like any position that makes me feel like I'm disorientated and bewildered. As long as I don't have to fake it, that's my favorite position.

Ed: What turns you on about a man?

Cassia: Confidence, not arrogance.

Ed: What's the easiest way for you to come?

Cassia: The easiest way for me to come is if I'm on top, or doggy

WorldNaked.net

Wishful Thinking Cassia Riley

style. That's the best!

Ed: Are men able to give you satisfying orgasms from clitoral stimulation?

Cassia: Well, it's a lot easier for a guy to find my clit then it is to find my G-spot. I like fingers, vibrators, smooth mouths and fingers on my clit. I like having my clit rubbed with fingers, tongues, and vibrators. Any of those ways will give me a nice, satisfying orgasm!

Ed: Do you have any unusual sexual stories you'd like to share?

Cassia: I can't believe I'm about to admit this, but sometimes I get pussy farts during really intense sex. I know it's nothing to be ashamed of, but I always feel silly when it happens.

Ed: Do you prefer to give or receive oral sex?

Cassia: I prefer to receive oral sex, but not if someone is lapping at my pussy like a thirsty dog. It's a good idea to keep your tongue loose and relaxed.

Ed: Do you like anal sex or any other kind of anal stimulation?

Cassia: Yes, I'd be lying if I didn't. I love having my anus licked. It's full of erotic nerve endings back there and as long as things don't get too rough, then I'm cool with it!

Ed: Where is the most daring place you've ever had sex?

Cassia: I did it in the elevator at a hotel one night. Actually, it was with another girl and we fingered each other until we both came. It only took five floors.

Ed: Is there anything else you'd still like to try, sexually speaking?

Cassia: I'd like to experiment more with sex toys. I have my share of vibrators and dildos and a few other things, but a sybian in my bedroom would be like heaven. I'd like to ride one and have my pussy licked at the same time. I'd control the speed and turn it all the way up as I'm cumming. Wow! Then I'd have my girlfriend ride another one and we could ride together and hug and kiss and really get each other off. Double wow!

Ed: What else would you like our readers and your fans to know about you?

Cassia: I'm pretty transparent. What you see is what you get – except in the bedroom *(smiles and winks)*. I like my eggs sunny side up with four pieces of thick cut crispy bacon with an eight ounce glass of orange juice.

Ed: Wow, indeed, that's interesting! Thank you, Cassia.

Cassia: You're very welcome. *(smiles and winks - again)*
